Cheap Date Cleveland is the premier free online Web site for inexpensive and creative date ideas in the Cleveland area.

Regular posts focus on unique local date nights priced at an incredible value per couple.

CLEVELAND, February 22, 2010 – Keeping dollars local is an ever-conscious importance with Cleveland consumers. Cheap Date Cleveland maintains its support of local businesses -- art galleries, museums, small bookstores and libraries, even independently-owned grocery, beer and wine stores -- by focusing on non-profit and creative events in all of Cleveland's diverse and eclectic neighborhoods.

Likewise, these civic-minded Clevelanders are more cautious about spending, budgeting fewer dollars for entertainment and nights out, and Cheap Date Cleveland recognizes the appeal of a reasonably-priced events.

This suggestive site, supplies unique examples of fun dates, categorized by location, day of the week or event type, with majority priced at under \$30 per couple – and even more that are free of charge. More bang *and* culture for your buck!

With a site-wide search feature and regularly-updated event calendar on the sidebar, visitors to Cheap Date Cleveland can easily discover ideas to fit any schedule. Weekly features include witty and informative reviews on specific events, including: site location, dates and times of event, options for public transportation or bicycling, as well as guidance to either recreate the event *or* to add on to an already-amazing date. Many times, first date advice is given tongue-in-cheek, but the always entertaining Cheap Date Cleveland offers a wealth of information (and a little bit of regional history) to create the perfect Cleveland experience.

The blog posts at Cheap Date Cleveland www.cheapdatecleveland.com, updates at the Facebook fan page and daily tweets -- found at @cheapdatecleve -- are always free. Follow us and become a fan!

About Cheap Date Cleveland: Since 2009, Cheap Date Cleveland has expanded its features and event posts to help locals plan creative and inexpensive dates. The site is an almost-daily portal of ideas, geared to a variety of readers, including those local- and budget-conscious.
